## Dwight-Englewood School Theatre Ticket Order Form

“Likes” is a play about the lives of teenagers today and the challenges they face in this digital age. Spoofing on iconic characters from popular culture, we travel through a few days with some modern-day teens, their crushes, their anxieties, and most of all their ability to find a way to balance it all. Join us for the world premiere of this truly original play, written and performed entirely by Dwight-Englewood’s Middle School students!
